Good 2 Go Loans

Australian Credit Licence No: 439808
ACL Holder – Good To Go Loans Pty Ltd

Under the *National Consumer Credit Protection Act 2010* ("the Act"), there are certain obligations that we are required to undertake before we are able to provide you with a loan. The primary obligation is that we are required to assess whether the provision of credit is unsuitable having regard to your financial circumstances as well as looking at your requirements and objectives for seeking credit. We do this by undertaking a written credit assessment.

Pursuant to s133 of the Act, we are prohibited from granting credit if at the time of granting the loan:

- 1. You would be unable to comply with your financial obligations under the contract or could only comply with substantial hardship;**
- 2. The loan does not meet your requirements or objectives.**

Pursuant to s132 of the National Consumer Credit Protection Act 2009, if you request a copy of the written credit assessment it will be provided to you prior to entering into the contract.

If you make a request for a copy of your assessment after the credit contract is entered into we will provide a copy within 7 days.

If a request is made after two years from entering into the contract we will provide a copy within 21 days.
